MADISON, Wis.— Who will advance to the Top 15 in the CUES Next Top Credit Union Exec challenge, in partnership with [DDJ Myers](#)? That's up to YOU.

Twenty four young, emerging leaders from within the credit union industry created video applications on NextTopCreditUnionExec.com, and now it's up to the public to vote for their favorite.

Voting takes place from Wednesday, July 16 at noon ET through Monday, July 30, 2014, at 3:00 pm ET.

The 12 Applicants with the most online votes will have the opportunity to continue on in the competition. Additionally, a judging committee will add up to three additional Applicants to form the Top 15. Members of the Top 15 will create another blog post about their project. Each of the Top 15 will also receive a remote coaching session with DDJ Myers, a CUES Supplier member and strategic partner.

A judging panel will evaluate and score each member of the Top 15 based on their original application video, their blog post and the value their project brings to their credit union and to the credit union industry as a whole.
